The licensure process in the State of Rhode Island is conducted by the Rhode Island Department of Health (HEALTH), Office of Health Professions Regulation, and the Rhode Island Board of Pharmacy (BOARD). No pharmacy technician shall work in a pharmacy in this state without being licensed with the BOARD.

Application Process

This application is for NEW applicants. If a license has been issued in the past, do not use this form. Contact the BOARD for information on renewing the license previously issued.

Licensure as a pharmacy technician is not required if the applicant is currently licensed as a Pharmacy Intern.

The pharmacist in charge will certify that the pharmacy technician is licensed, that the individual will receive documented on-the-job training with the duties of employment, that the applicant will only be assigned duties for which competency has been demonstrated.

All items listed on the “checklist” (page 10) must be completed for an application to be considered complete. Said license, unless sooner suspended or discontinued for due cause in accordance with section 19.0 (Grounds for Denial or Discontinuation of Registration) shall expire annually on June 30th, and shall be renewed annually.

Licenses will be issued following the Board’s approval of the completed application. Wallet-sized license cards are mailed to the address furnished in the application. It is the applicant’s responsibility to notify the BOARD office, in writing, if the address changes during the interim, or at any time after the license is issued. Visit the following website to obtain a change of address form.

http://www.health.ri.gov/forms/changeofaddress/professions.pdf

HEALTH will not, for any reason, accelerate processing of one applicant at the expense of other applicants. Once completed, the application will be reviewed. Be advised, you may be required to appear for an interview.

NOTE: No technician may practice until licensed by the BOARD. The license will expire on June 30th (regardless of the date issued), and a form will be mailed to renew the license for the period July 1st through June 30th. It is the technician’s responsibility to maintain an active license. If a renewal is not received, the licensee is to contact the BOARD, and follow up on the status of the renewal.

Please continue to review the remaining portions of this application packet for instructions and other materials necessary to complete the Board application. If you have any questions about this application process, or would like to check on the status of the BOARD application, please contact the BOARD at (401) 222-2837.
